Jack Robinson
Founder & MD

Superyacht Technology Network

Director's Statement

Superyacht Technology Network are delighted to bring a bigger, better, more encompassing technology show back to the World Trade Centre in Barcelona in March 2024.

Our sell out success of the last two shows has encouraged us to expand into two further large exhibitor spaces on top of what we had at the last show.

Networking at its best. If you are in technology and currently are, or want to be working with the superyacht industry you can not afford not to be here.

Will Faimatea
Shareholder

Superyacht Technology Network

Shareholder Statement

I am excited to be personally involved with Superyacht Technology Network.

The platform represents and allows all those companies and owners, representatives and crew with technology focus a place to visit and experience the technologies and the people behind them.

Having started my career in yachting as an ETO back in 1996 I have been very fortunate to watch and be part of this industry and I hope I can contribute further and on a broader scale with SYT Network.

VIP PROGRAM

What makes us so different? We bring the buyers to you. Superyacht Technology Network has a VIP Program, this is completely free to technology influencers and buyers.

If you are a:

- Superyacht Captain
- Senior Superyacht
- Technical Crew
(AVIT, engineer, ETO)
- Superyacht Owners' Representative
- Superyacht Shipyard Management
- Project Managers
- Superyacht Management
- Interior Designer
- Naval Architect
- Yacht Designers
- Technical Management
- New Build Captains

Apply now by emailing vip@superyachttechnologynetwork.com with your name, title and company/yacht and we will add you to the list.

What is included if you sign up to join us through the VIP Program for the 2024 Show?

>> A FREE VIP PASS

>> GRAND GALA DINNER

Entrance to the VIP only Grand Gala Dinner on the
20th March 2024 at Esferic, Montjuic Park, Barcelona.

>> NOTIFICATION

of our **full calendar of events**
throughout the year

SUPERYACHT TECHNOLOGY SHOW 2024

What is the Superyacht Technology Show?

The third edition of the Superyacht Technology Show will again be taking place at the World Trade Centre in Barcelona on the 20th and 21st of March. A private show, for superyacht technology experts and buyers, there will be 3 times more space

Our well respected TECHtalks will take place on both days in the main auditorium as well as a product or company presentation stage in the Discovery Lab.

Superyacht Technology Show is the first ever show dedicated purely to superyacht technology, hosting inspiring global technology speakers, technology thought leaders, immersive hands-on demos, and workshops. These will be dedicated spaces for the industry's tech buyers and providers to learn, share and be inspired.

All attendees will have full access to the main auditorium TECHtalks, the Innovation, Exploration and Discovery Labs.

Our now celebrated networking pre-event cocktail meet up, daily networking lunch and gala dinner make this the super-networking event of the year.

"Such a great two days, so well organised, fantastic speakers and brilliant networking! Thanks Jack Robinson and Joanna Palmer for putting on such a great event - see you next time"

Susanna Travaglio | CMC Marine

"We have been supporters of Superyacht Technology Network for some time now, exhibiting and sponsoring at the Show & Conference in 2022 was inspiring for us, a totally different kind of networking. I have recommended broadening the technology that is presented to cover all the main functions on board a yacht to include propulsion, energy management, navigation, fire systems etc. We will 100% be at the 2024 Show & Conference"

Jeroen van den Hurk | Managing Director | VBH

Who attends the show?

- TECHNICAL YACHT CREW
- OWNERS REPS
- INNOVATORS
- SHIPYARDS
- CAPTAINS
- DESIGNERS
- INTEGRATORS
- MANUFACTURERS
- DISTRIBUTORS
- TECHNOLOGY PROFESSIONALS
- AVIT OFFICER
- ENGINEERS

"Many thanks for such an enjoyable, useful, and well run event in Barcelona. I am already looking forward to 2024!"

Tomo Barkla | Chief Engineer | M/Y Spectre

Key stats

- UP TO 1000 DELEGATES
- 500+ BUYERS INVITED VIA OUR VIP PROGRAM
- 140 STANDS
- 3 HALLS
- VIP HOSPITALITY AREA
- 500 DELEGATE CONFERENCE AT THE ONSITE AUDITORIUM

The Sea Lounge Meet & Greet areas

We want to be an inclusive show accessible to all budgets. The SEA Lounge is an invitation only Meet & Greet area with floor to ceiling views of the ocean. It provides the perfect location to meet with new and existing clients.

*Please note the SYT Show does not provide open meeting areas for delegates.

Sea Lounge Package (40 available)

- Your logo on the 1M Sea Lounge Wall
- Branded lockable podium with chair
- 1 VIP pass to networking lunch, VIP & Exhibitor cocktail party, Grand Gala dinner
- Wifi
- Logo on website
- In app profile

>> €3,500

Podium is 100cm x 103cm. Normally we will just put your logo on the printed podium, but if you prefer to send us artwork for the podium please send it by 30th January 2024, in pdf or ai, minimum resolution 150dpi.

Start-Up Accelerator

Superyacht Technology Network launches a Start-Up Accelerator/Meet the Dragon Investors program at the Superyacht Technology Network Show 2024.

Amazing Location - located in the stunning Sea Lounge

Dragon Investor - 10 companies will be chosen to meet the Dragons who have invested over €100,000 million in tech to date, you will get 7 min to pitch our Dragons in a private meeting room at the WTC Barcelona

Subsidised stand - Each company will be able to exhibit on a meet and greet podium for only €2500.

VIP Networking pass - This will give 1 company representative VIP access to up to 1000 delegates, this also includes

Access to the pre event cocktail party | Access to the Grand Gala Dinner
Coffee, lunch and bar drinks provided

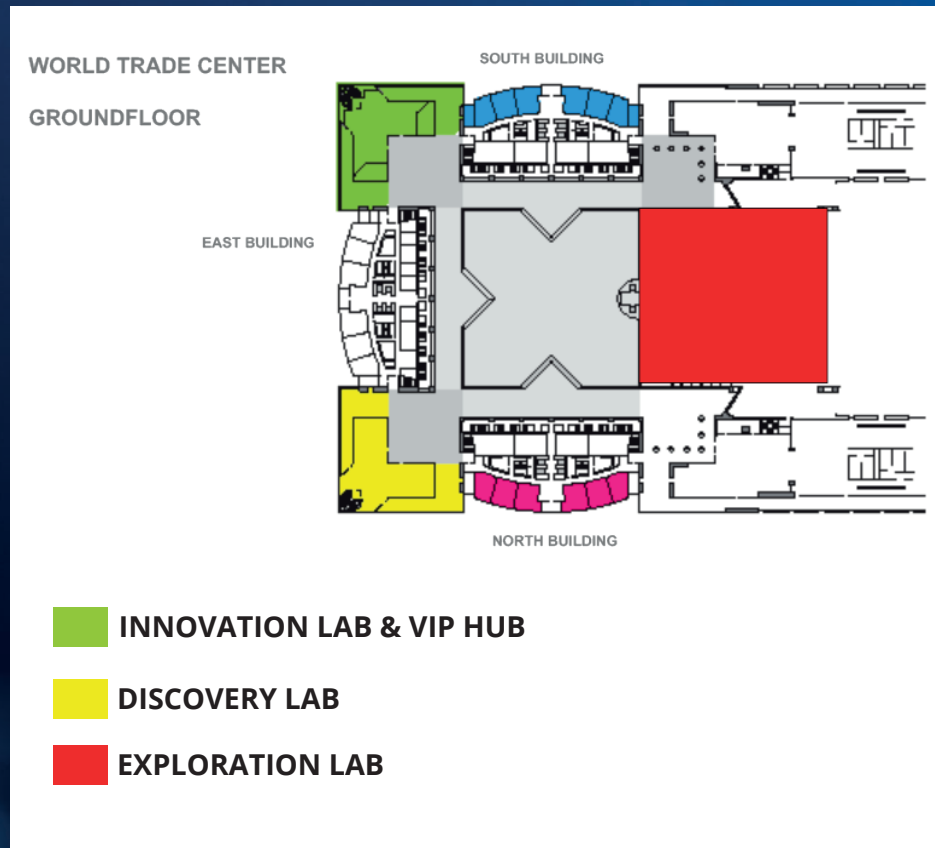

The Rules

Your start up must be less than 3 years old | Turnover under €300,000 | 20 Spaces only

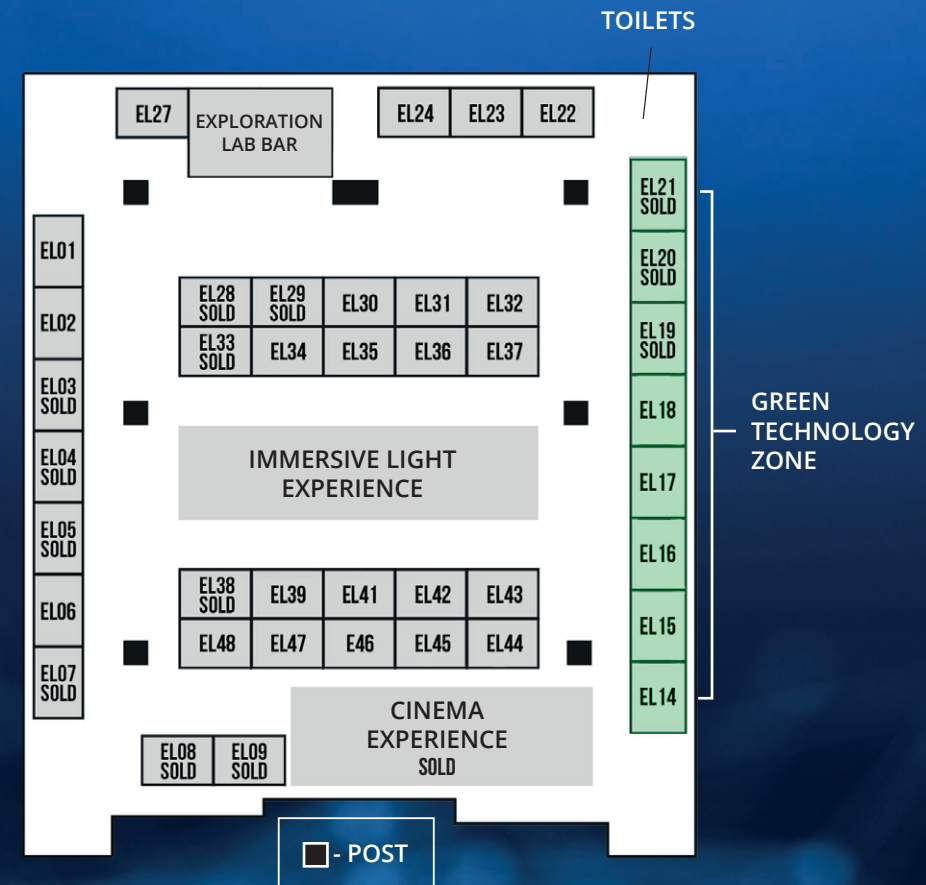

Apply via info@superyachttechnologynetwork.com

**subject to availability*

"As an AV-IT integration company we decided to showcase our offer during the SYTN forum and also to sponsor the Gala Diner Champagne in Barcelona (Oct. 2022). The Superyacht Technology Network team did organize a great event gathering what we felt an hybrid attendance of clients, prospects, partners, suppliers, and competitors yet colleagues... Eventually we realized it was a very profitable and insightful moment, well organized (Kudos! Jack Robinson, Joanna Palmer and co. !)."

Guy Butterati | VP Design & User Experience | AKUMENDO

Important Information

Please note that at the 2024 Superyacht Technology Show we are selling allocated space only

All stands can be completely bespoke or ordered through our partner BCN Congress directly. The minimum stand package must include a back wall with graphics, front podium, table and 2 chairs.

Exhibitor space is €1150 per m2 in the Exploration Lab and the Discovery Lab. Premium space in the Innovation Lab and VIP Hub is charged at €1550 per m2.

All stands include an in-App profile, online profile, 1 VIP Pass, 2 Exhibitor Passes and 10 standard invitations.

VIP and Exhibitor passes include lunch on both days in our VIP Hospitality Area.

“Thanks a lot again for all the hospitality and very nicely prepared events during the ISE. Good to speak with the right people with the right mindset and the necessary pride in what we all do. We had some great talks during the evening so think a full success for also your organisation.”

Heink Steffens | Company Director | Home Marine
